SUMMER TERM
CLASS 3

WELCOME BACK!

Welcome back to the summer term!

We are excited to kick off the summer term of learning! This term, Class 3 are exploring all things Fairtrade - this will conclude with a Fairtrade Fair where you will be able to sample tasty treats, play

Fairtrade board games and learn all about Fairtrade. We also have the Maypole and country dancing to enjoy, a trip to Stubbington, sports day and the Junior Production.

WHAT WE ARE LEARNING

English

We're diving into 'The Tin Forest' to paint a vivid picture of the setting contrasting the day and night. The short film "The Black Hat" will bring some creative magic to our descriptive writing, helping us master the art of prepositions. We will also be Arctic explorers and produce writing based on 'The Search for the Giant Arctic Jellyfish'.

Maths

We're exploring decimals, money and time. Then, we'll embark on adventures with shapes, position and direction and statistics.

Science

We'll explore the mystery of sound, seeing how it relates to vibrations travelling through a medium to our ears and understand how pitch and volume work too.

Here's what else we'll be learning in Class 3:

RE - Gospel and Raksha Bandhan

Art/DT - April Jarocka, making a Fairtrade board game and cooking

PE - Maypole/country dancing, cricket, swimming, athletics

Music - Reading rhythms and singing and performing

ICT - Programming Microbits and creating a quiz

French - family, food, numbers, months

PSHE - Being My Best and Growing and Changing

REMINDERS

PE will be on Tuesdays, Wednesdays and Thursdays.

Homework is due on Fridays
