**SUMMER TERM
CLASS 4**

WELCOME BACK!

Welcome Back to the Summer Term!
We are excited to kick off the summer term of learning! This term, Class 4 will enjoy our much-anticipated Sports Day, participate in the Junior Production and engage in fun leaver's activities. We look forward to a season filled with growth, creativity and memorable experiences!

WHAT WE ARE LEARNING

English

At first, we will be exploring the world of Percy Jackson, moving on to Escape from Pompeii where we will be focusing on cohesion, punctuation and key-grammatical elements.

Maths

We will delve into angles, converting units of measurement and shape. Then our focus will turn to consolidation of previous learning, investigations and problem-solving.

Science

This term our science work focuses on two big enquiry units: Light and The Circulatory System. Class 4 will develop scientific knowledge and practical skills through hands-on investigations, data collection and problem-solving activities.

SUBJECTS

Here's a glimpse of what's in store for Class 4 this term:

RE - Community: Umma
God: Ideas about God

Art/DT - Greek vases and Roman mosaics
