May Festival

We have been disappointed that the weather didn't hold out for us.

Class 3 are excited to perform their Country Dance and May Pole routine and so we have organised for this to take place straight after school next Friday with some light refreshments for you to enjoy while you watch. Please join us then.

Walk to School Week

Your child will have brought home a leaflet promoting the benefits of walking to school.

We know it can be challenging to walk, scoot and cycle to school due to our location but we would really encourage you to participate in next week's Walk to School week. Perhaps you could park just a little further out and walk the last few minutes to school.

Each class will be gathering information each day and certificates will be awarded to those who take part.

HAPPY WALKING!

Message from Miss Jolliffe

I'd like to start by saying a huge well done to our Year 6 children this week. They have approached the SATS with maturity and focus. It has been impressive to see their 'can do' and positive attitudes on show. They have worked so hard during their time at SSJ and we know they have tried their very best this week. Well done to them all.

To end the week, the Juniors have had a very special treat afternoon. Mrs Rolmanis has shared the title of our Summer Production with the children. As I write, I can hear rehearsals for songs already beginning. Please see the next page of the newsletter for the announcement.

Please enjoy the week. See you next week.

Miss Sarah Jolliffe

School Association

The school association are looking for their next PTA chair, could this be you?

The chair leads meetings and steers the committee towards its aims. Sitting in the driver's seat, you should be highly enthusiastic, full of bright ideas and demonstrate good leadership skills.

For more information please contact the school association email: schoolassociation@ssj-school.co.uk or alternatively the main office and a member will get back to you.

Production Announcement

Year 2 SATS

Our Year 2 children are also taking part in their end of KS1 tests, known as SATS. These are done in a very different way to the Year 6 version and are completed in class as a quiz. We do ask though that attendance in Year 2 this month is 100% so that no child misses out. We vary the timetable depending on what is happening around school so cannot share exactly when these will take place so please make sure your child is sleeping well and in school everyday. Thank you.

Collective Worship

This week we have been learning about Faithfulness.

Through the story of The Faithful Servant we learnt that the faithful servant used what he was given and used them to make more. God gives us talents and we should use them for his glory.
